

Plumbing and Hydronics Installer

JOB DESCRIPTION

Are you an organized and hardworking individual ready to join a team that prides itself on providing valuable and professional services? Can you take ownership and make effective decisions? Do you like to lead by example and encourage others around you to put in their best effort? Do you like to learn and have a great attitude? If so, keep reading ...

Young Services is looking for a Plumbing and Hydronics Installer to work on our upscale projects while ensuring the Young Services standards are met. This is a very detail-oriented position that requires the candidate to listen and learn the methods and practices we feel are necessary and important. We are a growing business and we're looking for someone who can jump in and help immediately while bringing their own personality and skillset.

Young Services has a zero tolerance policy on substance abuse in the workplace.

SKILLS/REQUIREMENTS

- A level of plumbing/hydronic experience that allows you to work independently
- Positive attitude
- Hard worker
- Dependable
- Ability to execute and manage certain tasks
- Sets a goal and makes sure it gets accomplished
- Organized and detail oriented
- Believes in having fun
- Takes pride in their work
- Eager to learn
- Desires to be a part of something larger than themselves
- Basic understanding of smartphones and mobile devices
- Good at communicating with team members
- Ability to diagnose problems and confidence to fix it or ask for help
- Handle pressure and challenging situations
- Ability to work within a team atmosphere

WHAT WILL YOU BE DOING HERE?

- Installing plumbing and hydronic systems
- Working on high quality projects with our construction team
- Tracking bid work vs. change order work
- Communicating information to job supervisors and Young Services as the job progresses

If this describes you, we want to talk to you! Fill out an application today!
