

## Project Foreman

---

### JOB DESCRIPTION

Are you a plumber with years of experience and looking for a unique company and team to work with? Are you an organized and detail-oriented person? Do you naturally take ownership and track details to completion? Are you someone who believes anything worth starting is worth measuring? Are you excited and confident about keeping numerous projects moving forward at one time? Do you view interruptions as opportunities rather than frustrations? If so, keep reading ...

Young Services is looking for a project foreman who can help manage and run our upscale, new construction projects. One who is confident, professional and experienced to join our growing team.

We have a number of new and remodel projects in progress with many more coming up. Help us continue to provide caring, professional and efficient solutions for our clients plumbing, heating and cooling needs. We are growing fast and looking for the right person to take ownership in their work and wants to be part of the future of this business.

Young Services has a zero-tolerance policy on substance abuse in the workplace.
